Membership Renewal Notice SMS

Assignment Brief:

Our client, a membership-based organization, wants to send out a commercial membership renewal notice sms messages to their members. The goal is to inform members about their upcoming membership expiration, and encourage them to extend for an extra year to continue to enjoy their membership benefits.

Requirements:

- Create an AMPscript code snippet to generate personalized membership expiry notice emails.
- The organisation's mobile number is 0410456890 to manage consent
- All dates displayed in the email should be in this format "September 17, 2024".
- All dates are in date format

Sample Data:
